Transfers taking place in the Registry of Bondholders after the Offer Bonds are listed on PDEX may be allowed between taxable and tax-exempt entities without restriction and observing the tax exemption of tax-exempt entities, if/and or when so allowed under and in accordance with the relevant rules, conventions and guidelines of PDEX and PDTC.

A Bondholder claiming tax-exempt status is required to submit to the Registry of Bondholders the required tax-exempt documents as detailed in the RPAA upon submission of the account opening documents to the Registrar. Please see the section on “*Description of the Offer Bonds – Tax-Exempt Status or Entitlement to Preferential Tax Rate*” for a detailed discussion on the requirements for claiming a preferential tax status.

Notwithstanding the submission by the Bondholder, or the receipt by the Issuer, the Registrar, the Joint Lead Underwriters and Bookrunners of documentary proof of tax-exempt status of a Bondholder, the Issuer may, in its sole and reasonable discretion, determine that such Bondholder is taxable and require the Registrar and Paying Agent to proceed to apply the tax due on the Offer Bonds. Any question on such determination shall be referred to the Issuer.

The Bondholders shall be responsible for monitoring and accurately reflecting their tax status in the Registry of Bondholders. The payment report to be prepared by the Registrar and submitted to the Issuer in accordance with the RPAA, which shall be the basis of payments on the Offer Bonds on any Interest Payment Date, shall reflect the tax status of the Bondholders as indicated in their accounts as of the Record Date.

Secondary Trading of the Offer Bonds

The Issuer intends to list the Offer Bonds on PDEX for secondary market trading and, for that purpose, the Issuer has filed an application for such listing. However, there can be no assurance that such a listing will actually be achieved or whether such a listing will materially affect the liquidity of the Offer Bonds on the secondary market. Such listing would be subject to the Issuer’s execution of a listing agreement with PDEX that may require the Issuer to make certain disclosures, undertakings and payments on an ongoing basis.

For so long as any of the Offer Bonds are listed on PDEX, the Offer Bonds will be traded in the secondary market in a minimum board lot size of ₱10,000, and in multiples of ₱10,000 in excess thereof. Secondary market trading in PDEX shall follow the applicable PDEX rules, including rules, conventions and guidelines governing trading and settlement between Bondholders of different tax status, and shall be subject to the relevant fees of PDEX and PDTC, all of which shall be for the account of the Bondholders.

RANKING

The Offer Bonds shall constitute the direct, unconditional, unsecured and unsubordinated obligations of the Issuer ranking at least *pari passu* and ratably without any preference or priority among themselves and at least *pari passu* with all its other present and future, contingent or otherwise, unsecured and unsubordinated obligations of the Issuer (except for Indebtedness mandatorily preferred by law, and preferred claims under any bankruptcy, insolvency, reorganization, moratorium, liquidation or other similar laws affecting the enforcement of rights of the creditors generally and by general principles of equity but not the preference or priority established by Article 2244, paragraph 14(a) of the Civil Code of the Philippines), but in the event

of insolvency, such financial obligations shall be absolute and unconditional only to the extent permitted by Applicable Law relating to creditors' rights generally.

The cut-off date in determining the existing Bondholders entitled to receive interest, principal or any amount due under the Offer Bonds shall be two (2) Business Days prior to the relevant Payment Date or such other date as the Issuer may duly notify PDTC (the "**Record Date**"). The Record Date shall be the reckoning date in determining the Bondholders entitled to receive interest, principal or any other amount due under the Offer Bonds. No transfers of the Bonds may be made during the Closed Period.

Interest Accrual

The Offer Bonds shall cease to bear interest from and including the relevant Maturity Date, as defined in the discussion on "*Description of the Offer Bonds - Final Redemption*" below, unless, upon due presentation, payment of the principal in respect of the Offer Bonds then outstanding is not made, is improperly withheld or refused, in which case the Penalty Interest (see "*Description of the Offer Bonds - Penalty Interest*" below) shall apply.

Calculation of Interest

The interest shall be calculated on a European 30/360-day count basis, regardless of the actual number of days in a month.

REDEMPTION AND PURCHASE

Final Redemption

Unless earlier redeemed, purchased and cancelled, each of the Offer Bonds will be redeemed at par or 100% of their face value on their respective Maturity Dates. However, if the relevant Maturity Date is not a Business Day, payment of all amounts due on such date will be made by the Issuer through the Paying Agent, without adjustment for accrued interest, on the succeeding Business Day.

Each Bondholder in whose name the Offer Bonds are registered in the Registry of Bondholders at the close of business on the Record Date preceding the relevant Maturity Date shall be entitled to receive the principal amount of the Offer Bonds. In all cases, repayment of principal shall be remitted to the Bondholders in accordance with the terms of the RPAA.

Provided, that if the relevant Optional Redemption Date falls on a day that is not a Business Day, then the payment of the Optional Redemption Price shall be made by the Issuer on the next Business Day, without adjustment to the amount of interest and Optional Redemption Price to be paid. For the avoidance of doubt, the Bondholders shall not have any right to cause the Issuer to redeem the Offer Bonds pursuant to this Optional Redemption.

The amount payable to the Bondholders upon exercise of the Optional Redemption by the Issuer shall be calculated based on the principal amount of the Offer Bonds being redeemed, as the sum of (i) the accrued interest computed from the last Interest Payment Date up to the relevant Optional Redemption Date; and (ii) the product of the principal amount of the Offer Bonds being redeemed and the Optional Redemption Price in accordance with the table above.

The Issuer shall give no less than thirty (30) nor more than sixty (60) days’ prior written notice to the Trustee, the Registrar and Paying Agent of its intention to redeem the Offer Bonds, which notice shall be irrevocable and binding upon the Issuer to effect such Optional Redemption of the Offer Bonds on the Optional Redemption Date stated in such notice. Upon receipt by the Trustee of such notice, the Trustee shall, through the Issuer secure from the Registrar an updated list of Bondholders as of the Record Date indicated in the notice from the Issuer and provide written notices to all registered Bondholders of the intended Optional Redemption. Each Bondholder in whose name the Offer Bonds subject of the Optional Redemption are registered in the Registry of Bondholders at the close of business on the relevant Record Date shall be entitled to receive the interest and Optional Redemption Price. The Issuer shall pay the Bondholders in accordance with the terms of the RPAA.

Redemption for Taxation Reasons

If payments under the Offer Bonds become subject to additional or increased taxes other than the taxes and rates of such taxes prevailing on the Issue Date as a result of certain changes in law, rule or regulation, or in the interpretation thereof, and such additional or increased rate of such tax cannot be avoided by use of reasonable measures available to the Issuer, the Issuer may redeem the relevant Offer Bond series in whole, and not in part only, on any Interest Payment Date (having given not more than sixty (60) nor less than thirty (30) days’ written notice to the Trustee, Registrar and Paying Agent) at par (or 100% of face value) and paid together with the

accrued interest thereon, subject to the requirements of Applicable Law; provided that if the Issuer does not redeem the Offer Bonds then all payments of principal and interest in respect of the Offer Bonds shall be made free and clear of, and without withholding or deduction for, any such new or additional taxes, duties, assessments or governmental charges, unless such withholding or deduction is required by Applicable Law. In that event, the Issuer shall pay to the Bondholders concerned, such additional amount as will result in the receipt by such Bondholders of such amounts as would have been received by them had no such withholding or deduction for new or additional taxes been required.

Upon receipt by the Trustee of a written notice from the Issuer hereunder, the Trustee through the Issuer shall secure from the Registrar an updated list of Bondholders as of the Record Date indicated in the notice from the Issuer and provide written notices to all registered Bondholders of the intended optional redemption. Each Bondholder in whose name the Offer Bonds subject of the optional redemption are registered in the Registry of Bondholders at the close of business on the relevant Record Date shall be entitled to receive the principal of the Offer Bonds subject of the optional redemption and the interest accrued thereon. The Issuer shall pay the Bondholders in accordance with the terms of the RPAA.

Accrued interest on the Offer Bonds to be redeemed under this section for the last Interest Payment Date up to the relevant redemption date shall be calculated on the basis of a 360-day year consisting of twelve (12) months of thirty (30) days each and, in the case of an incomplete month, the number of days elapsed on the basis of a month of thirty (30) days.

The Bondholders shall not have any right to cause the Issuer to redeem the Offer Bonds under this section.

The following events shall be considered as changes in law or circumstance (each a "**Change in Law or Circumstance**") as it refers to the obligations of the Issuer and to the rights and interests of the Bondholders under the Trust Agreement:

- (a) Any government and/or non-government consent, license, authorization, registration or approval now or hereafter necessary to enable the Issuer to comply with its obligations under the Trust Agreement or the Offer Bonds shall be modified, withdrawn or withheld in a manner which shall materially and adversely affect the ability of the Issuer to comply with such obligations, or
- (b) Any provision of the Transaction Documents (in whole or in part) is or becomes, for any reason, invalid, illegal or unenforceable to the extent that it becomes for any reason unlawful for the Issuer to give effect to its rights or obligations hereunder, or to enforce any provision hereunder or thereunder; or any law is introduced or any existing Applicable Law is modified or rendered ineffective or inapplicable to prevent or restrain the performance by the Issuer of its obligations under the Transaction Documents.

or appropriate (either with or without compensation) the Issuer or any material portion of its properties or assets, unless such act, deed or proceedings are contested in good faith by the Issuer or the same does not materially and adversely affect the financial condition or operations of the Issuer.

Upon receipt by the Trustee of a written notice from the Issuer on the occurrence of any Change in Law or Circumstance, the Trustee through the Issuer shall secure from the Registrar an updated list of Bondholders as of the Record Date indicated in the notice from the Issuer and provide written notices to all registered Bondholders of the intended optional redemption. Each Bondholder in whose name the Offer Bonds subject of the optional redemption are registered in the Registry of Bondholders at the close of business on the relevant Record Date shall be entitled to receive the principal of the Offer Bonds subject of the optional redemption and the interest accrued thereon. The Issuer shall pay the Bondholders in accordance with the terms of the RPAA.

The Bondholders shall not have any right to cause the Issuer to redeem the Offer Bonds pursuant to a Change in Law or Circumstance under this section. The foregoing, however, is without prejudice to a declaration of an Event of Default, as applicable.

Redemption by Reason of Change of Control

Upon the occurrence of a Change of Control, Bondholders holding at least 2/3 of the outstanding principal amount of the Offer Bonds may require the Issuer to redeem all (but not some) of the Offer Bonds, at par (or 100% of face value), which shall be paid together with the accrued interest thereon. Within fifteen (15) days following a Change of Control, the Issuer shall notify the Trustee, which shall, in turn, notify the Bondholders (i) that a Change of Control has occurred and that the Bondholders holding at least 2/3 of the outstanding principal amount of the Offer Bonds may require the Issuer to redeem all (but not some) of the Offer Bonds, and (ii) the date set by the Issuer for such redemption (which shall not be earlier than forty-five (45) days and no later than sixty (60) days from the date written notice is received by the Trustee). The decision of the Bondholders holding at least 2/3 of the outstanding principal amount of the Offer Bonds under this section shall be conclusive and binding upon all the Bondholders.

Each Bondholder in whose name the Offer Bonds are registered in the Registry of Bondholders at the close of business on the Record Date indicated in the notice to the Bondholders shall be entitled to receive the principal of the Offer Bonds and the interest accrued thereon. Upon listing of the Offer Bonds in the PDEX, the Issuer shall disclose any such transaction in accordance with the applicable PDEX disclosure rules.

The Paying Agent shall credit the proper amounts received from the Issuer via RTGS, net of final taxes and fees (if any), to the cash settlement banks of the Bondholders (nominated by the Bondholders in the Application to Purchase or as the Bondholder may notify the Paying Agent in writing), for onward remittance to the relevant cash settlement account of the Bondholder with the cash settlement bank. The principal of, and interest on, the Offer Bonds shall be payable in Philippine Pesos.

In the event that the details of the cash settlement account indicated by the relevant Bondholder in the Application to Purchase are incomplete or erroneous, or the cash settlement account of the relevant Bondholders has been closed, dormant, or inexistent, due to which payments to the Bondholders cannot be effected in a timely manner, the relevant cash settlement bank shall handle such funds in accordance with its own internal procedures until the correction of the cash settlement account is effected and until credit of the relevant cash entitlement is completed. In these cases, the Issuer and the Registrar and Paying Agent shall not be liable to the relevant Bondholder for any failure or delay in the Bondholder's receipt of such payments.

The Issuer shall ensure that so long as any of the Offer Bonds remain outstanding, there shall at all times be a Paying Agent for purposes of the Offer Bonds and the Issuer or the Paying Agent may only terminate the appointment of the Paying Agent as provided in the RPAA. In the event the appointed office of any institution shall be unable or unwilling to continue to act as the Paying Agent, the Issuer shall appoint such other leading institution in the Philippines authorized to act in its place.

Payment of Additional Amounts – Taxation

Interest income on the Offer Bonds is subject to a final withholding tax at rates between 10% and 25%, depending on the tax status of the relevant Bondholder under relevant law, regulation or tax treaty. Except for such final withholding tax and as otherwise provided, all payments of principal and interest are to be made free and clear of any deductions or withholding for or on account of any present or future taxes or duties imposed by or on behalf of the Philippines, including but not limited to, issue, registration or any similar tax or other taxes and duties, including interest and penalties, if any. If such taxes or duties are imposed, the same shall be for the account of the Issuer; provided however that, the Issuer shall not be liable for the following:

The Trustee shall, within five (5) Business Days after receipt of written notice from the Issuer or the Majority Bondholders of the occurrence of an Event of Default, give to all the Bondholders written notice of any such Event of Default unless the same shall have been cured before the giving of such notice; provided, that in the case of a Payment Default (as described in paragraph (a) of the “*Description of the Offer Bonds – Events of Default*”) the Trustee shall immediately notify the Bondholders upon the occurrence of such Payment Default.

Consequences of Default

- (a) If any one or more of the Events of Default shall have occurred and be continuing after the lapse of the period given to the Issuer within which to cure such Event of Default, if any, or upon the occurrence of such Event of Default for which no cure period is provided, (i) the Trustee upon the written direction of the Majority Bondholders, by notice in writing delivered to the Issuer, or (ii) the Majority Bondholders, by notice in writing delivered to the Issuer and the Trustee, may declare the Issuer in default (“**Declaration of Default**”) and declare the principal of the Offer Bonds then outstanding, together with all accrued and unpaid interest thereon and all amounts due thereunder, to be due and payable not later than five (5) Business Days from the receipt of the Declaration of Default (“**Default Payment Date**”) with a copy to the Registrar and Paying Agent who shall then prepare a payment report in accordance with the RPAA. Thereupon, the Issuer shall make all payments due on the Offer Bonds in accordance with the RPAA.

- (b) All the unpaid obligations under the Offer Bonds, including accrued interest, and all other amounts payable thereunder, shall be declared to be forthwith due and payable, whereupon all such amounts shall become and be forthwith due and payable without presentment, demand, protest or further notice of any kind, all of which are hereby expressly waived by the Issuer.

Penalty Interest

In case any amount payable by the Issuer under the Offer Bonds, whether for principal, interest, or otherwise, is not paid on the relevant due date, the Issuer shall, without prejudice to its obligations to pay the said principal, interest and other amounts, pay a penalty fee on the defaulted amount(s) at the rate 12% per annum (the “**Penalty Interest**”) from the time the amount fell due until it is fully paid in accordance with the Terms and Conditions of this Offer and the Trust Agreement.

Payments in the Event of Default

Upon the occurrence of any Event of Default, and provided that there has been a Declaration of Default and acceleration of payment of the Offer Bonds by the Majority Bondholders, then in any such case, the Issuer will pay the Bondholders, through the Paying Agent, the whole amount which shall then have become due and payable on such outstanding Offer Bonds with interest at the rate borne by the Offer Bonds on the overdue principal and with Penalty Interest, where applicable, based on the payment report no later than the Default Payment Date. The Issuer also undertakes that it shall give the Trustee written notice of its intention to make any payments under this paragraph.

Application of Payments

Any money collected by the Trustee as a consequence of a Declaration of Default and any other funds held by it, subject to any other provision of the Trust Agreement relating to the disposition of such money and funds or to the RPAA, shall be applied by the Trustee in the order of preference as follows:

Remedies

All remedies conferred by the Trust Agreement to the Trustee and the Bondholders shall be cumulative and not exclusive and shall not be so construed as to deprive the Trustee or the Bondholders of any legal remedy by judicial or extra judicial proceedings appropriate to enforce the conditions and covenants of the Trust Agreement subject to the discussion under “*Description of the Offer Bonds – Ability to File Suit.*”

No delay or omission by the Trustee or the Bondholders, to exercise any right or power arising from or on account of any default hereunder shall impair any such right or power, or shall be construed to be a waiver of any such default or an acquiescence thereto; and every power and remedy given by the Trust Agreement to the Trustee or the Bondholders may be exercised from time to time and as often as may be necessary or expedient.

No Bondholder shall have any right by virtue of or by availing of any provision of the Trust Agreement to institute any suit, action or proceeding for the collection of any sum due from the Issuer under the Trust Agreement on account of principal, interest, and other charges, or for the appointment of a receiver or trustee, or for any other remedy hereunder unless:

Waiver of Default by the Bondholders

The Majority Bondholders may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred upon the Trustee, or may, on behalf of the Bondholder, waive any past default except the Events of Default defined as a Payment Default, insolvency default (paragraph (i)) or closure default (paragraph (k)), and its consequences. In case of any such waiver, the Issuer, the Trustee and the Bondholders shall be restored to their former positions and rights under the Trust Agreement; provided, that, no such waiver shall extend to any subsequent or other default or impair any right consequent thereto. ² With option to use up to the maximum allocation if and when warranted by business requirements

The foregoing discussion represents a best estimate of the use of proceeds of the Offer based on the Company's current plans and anticipated expenditures. In the event there is any change in the Company's development plan, including force majeure, market conditions and other circumstances, the Company will carefully evaluate the situation and may reallocate the proceeds for future investments or other uses, and/or hold such funds in investments, whichever is better for the Company's and its shareholders' interest taken as a whole. The Company's cost estimates may also change as these plans are developed further, and actual costs may be different from budgeted costs. For these reasons, timing and actual use of the net proceeds may vary from the foregoing discussion and the Company's management may find it necessary or advisable to alter its plans. In the event of any substantial deviation/adjustment in the planned use of proceeds, the Company shall inform the SEC, PDEx and the Bondholders in writing at least thirty (30) days before such deviation, adjustment or reallocation is implemented.

Pending the above use of proceeds, the Company intends to invest the net proceeds from the Offer Bonds in short-term liquid investments including but not limited to short-term government securities, bank deposits and money market placements which are expected to earn prevailing market rates. In the event such investments should incur losses, any shortfall will be financed from the Company's internally generated funds.

No material amount of proceeds shall be used to reimburse any officer, director, employee, or shareholder for services rendered, assets previously transferred, money loaned or advanced, or otherwise.
