Attention: **Ms. Alexandra D. Tom-Wong**  
Manager – Disclosure Department

Gentlemen:

We reply with respect to the news article entitled “SMC terminates power supply deal with Meralco” posted in Manila Bulletin (online edition) on 06 December 2022. The article reported in part that:

“SMC Global Power Holdings Corporation (SMCGP), a subsidiary of San Miguel Corporation, has formally notified Manila Electric Company (Meralco) that it will be terminating its fixed-price power supply agreement (PSA) covering 670 megawatts of supply drawn from the Ilijan gas-fired power plant.

As a naturally occurring consequence of the halted power supply deal, South Premiere Power Corporation (SPPC), which is the operating entity of the Ilijan plant, will already stop supplying generated electricity from the plant starting December 7 this year.

The SMC firm said it opted to take this step following the issuance of a temporary restraining order (TRO) by the Court of Appeals which effectively stopped the Energy Regulatory Commission (ERC) from enforcing its order denying the rate hike sought by the company for the capacity for its Ilijan plant as supplied to Meralco.

‘The cessation of supply, covered by the resolution and the TRO, is immediately executory,’ the San Miguel firm noted.

On ceasing its delivery of Ilijan capacity to Meralco, San Miguel underscored that ‘there will be no impact on current level of system supply because the company will still continue to offer its available and uncontracted capacity to qualified off-takers and to the spot market.’

San Miguel further conveyed that the Ilijan plant is undergoing repair works 'to improve its fuel efficiency and generation ramp rate' and its resumption of operations is targeted by April next year when liquefied natural gas (LNG) is already available in the country."

By way of response to the Exchange, we advise and confirm that South Premiere Power Corporation ("SPPC"), an affiliate of San Miguel Corporation, has notified Manila Electric Company ("Meralco") that SPPC will stop supplying Meralco with electricity generated from the Ilijan Power Plant commencing on December 7, 2022, in accordance with and for the entire duration of the effectivity of the Temporary Restraining Order issued by the 14th Division of the Court of Appeals.

Very truly yours,

**Ferdinand K. Constantino**  
Corporate Information Officer
